GENERAL INFORMATION OF APPLICATION

1. Details of the Applicant

1.1. Name of applicant: …….

1.2. Address of applicant: ……

1.3. Legal Representative: *(Name, Surname, Address, telephone number, e-mail)*

1.4. Contact Person: *(Name, Surname, Address, telephone number, e-mail)*

2. General Information of the Project

2.1. Title of Project:
(Project)…….....

2.2. Type of Services:

NoBo ☐

AsBo ☐

2.3. Stage of project under assessment:

Design ☐

Before putting into service ☐

2.4. Subsystem:

Infrastructure ☐

Energy ☐

Control-command and signaling ☐

2.5. Chainage (C.H.):

2.6. Number of lines: *(Single, Double)*

2.7. Line speed (km/h):

3. Specific Information of the Project

3.1. Stations: *(number)*

3.2. Stops/ halts: *(number)*

3.3. Tunnels (<500m): *(number)*

3.4. Tunnels (501-1000m): *(number)*

3.5. Tunnels (>1000m): *(number)*

3.6. Railway Bridges: *(number)*

3.7. Road Underpasses: *(number)*

3.8. Culverts: *(number)*

3.9. Retaining Walls: *(number)*

3.10. Substations: *(number)*

4. Other information (to be provided to the Body)

4.1. Product information (type, version definition, interfaces)

……...

4.2. Valid TSI and reference if any derogation exists

……..

4.3. Certification module of the project under assessment

…….

4.4. Scope of the Intermediate Verification Statement (ISV) if required

……..

4.5 Other relevant CE certificates, technical files and technical documentation (or ISV)

……
